

Docking Station Mount - Steel - TAA

Product ID: SSPMSUDWM

Create a clutter-free workspace by mounting your docking station or hub, freeing up space on your desktop. This docking station mount makes it easy to mount a compatible StarTech.com dock or hub to the wall, under your desk or counter, or to another solid surface.

Made in Canada, the sturdy and durable dock and hub mount is engineered from 10 gauge steel (3.3 mm thick).

Wall mount your laptop docking station or hub to free up space in business offices, commercial spaces, warehouses and industrial environments. You can also mount it under your desk to tuck it away, while still allowing easy access. It's also ideal for space-constrained areas, including hot desks and shared workstations, mobile and wall-mounted workstations, and home offices.

This innovative mount is designed to work exclusively with compatible StarTech.com products including:
